Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Adm. Turner:

Dick Capen has told me of your visit to San Diego August 8.
I would like to extend a further invitation to you to attend
an off-the-record breakfast hosted by Helen Copley and me on
either the morning of August 7 or 8.

I would propose to invite members of our editorial board as
well as leaders of the community who have a strong commitment
to a healthy Central Intelligence Agency.

I do hope you can find the time for this gathering. It needn't
last more than 90 minutes and can be arranged at a convenient
hotel in San Diego. We have conducted such sessions with at
least one of your predecessors and it was highly successful
in bringing about understanding of the role of the CIA and its
importance.

I look forward to hearing from you or a member of your staff.

With every good wish.

Sincerely,

Gerald L. Warren
